Thursday, October 17, 2019 / 7:30 am / Watermark Center

The Presentation: By 2025 millennial's (the generation born between 1980 and 2000) will make up 75% of the world's working population. Millennial's as a whole do possess characteristics and motivations that differ significantly from earlier generations in regards to the workplace.

How do you as a leader, lead millennials? Learn how we as current leaders can help our future leaders thrive through coaching and mentoring.

Millennial's need challenges to feel they are contributing, they need immediate feedback, they need a strong work/life blend, they need recognition, and, money isn't their only driving force. They want mentors not bosses.
