Free & Open to the public!

The Spring Election Candidates Forum is a public service provided by the Beaver Dam Chamber of Commerce. It is designed to inform voters about important issues and the positions of candidates in local elections. The chamber does not endorse candidates. A copy of the six segment forum format will be available the night of the forum or is available at the Chamber office. In addition to a live audience at the Veteran's Center, WBEV Radio will be carrying the forum as a live radio broadcast.

The public is invited to ask questions of the candidates in Segment 5 of the forum.

Contact the Beaver Dam Chamber with questions: 920.887.8879.
