What is Leadership Beaver Dam?

Leadership Beaver Dam is a 9 month program held for a full day once a month from September through May, that provides community specific and professional development education for participants.

The program offers opportunities for participants to develop their talents, refine their skills and strengthen their leadership potential, both personally and professionally.

What's in it for you?

- ◆ enhanced leadership skills
- ◆ opportunity to meet community leaders
- ◆ knowledge about local issues & resources
- ◆ improved analytical & communication skills
- ◆ personal and professional growth
- ◆ the opportunity to earn 3 MPTC college credits

Tuition is only \$550, which covers all supplies, lunch meals and the Graduation Reception for participants.
